Dearest Norma

Well another year has passed and we are seniors. Time seems to slip away so fast. This last year we've done so many things together. (this last year). Remember those Friday nights of skating and afterwards at the Restaurant it sure was fun. Then too those Sat. of shopping we must have walked miles. You so hard it make up your mind. But we did get some cute things. The way we always talk all period in English and in Gym. Then there was winter youth day and the junior picnic and last but by no means least the picnic at Corn Dam. Didn't we have fun? Remember howred you get when Joe teases you. Remember the funny sound and how you blushed. Then at Corn when you put Ice down you know who's back and how you got squirted with Ronnie's gun. But you sure got back at him. When are you going to pay up on that bet???

Well I hope this summer and next year will be as much fun. Just think we'll be seniors. This summer we'll do a lot together I hope. Maybe when Dean or Margaret comes down we'll have another day of fun. I hope we have a lot of classes together next year at least we'll have the club. What a voice I have I'll probably get kicked out its so terrible. Well the best of luck and have fun Love Carol.

## FACULTY ADVISORS

Director—AUGUST DAY  
English—JEAN DAVIS  
Business—BOYD DRAPER

*James M. Barkley*

Mr. Barkley: Upon retirement 1951:

Armijo "kiddies" offer best wishes to Jim Barkley, vice principal and civics teacher—a familiar figure on the tennis court and in the classroom. The Barkley smile and the Barkley joke (evidence of his cheerful personality) will be remembered by us always.

JIM BARKLEY

## *Dedication*

Mr. Newell: Retired 1950: Now he can say "my time's my own"—a contrast to the hectic days at Armijo conducting woodshop and mechanical drawing classes. Armijo students thank him again for his kindly manner and for teaching them a useful skill. His contribution to the faculty quartet was appreciated by everyone.

W. F. NEWELL

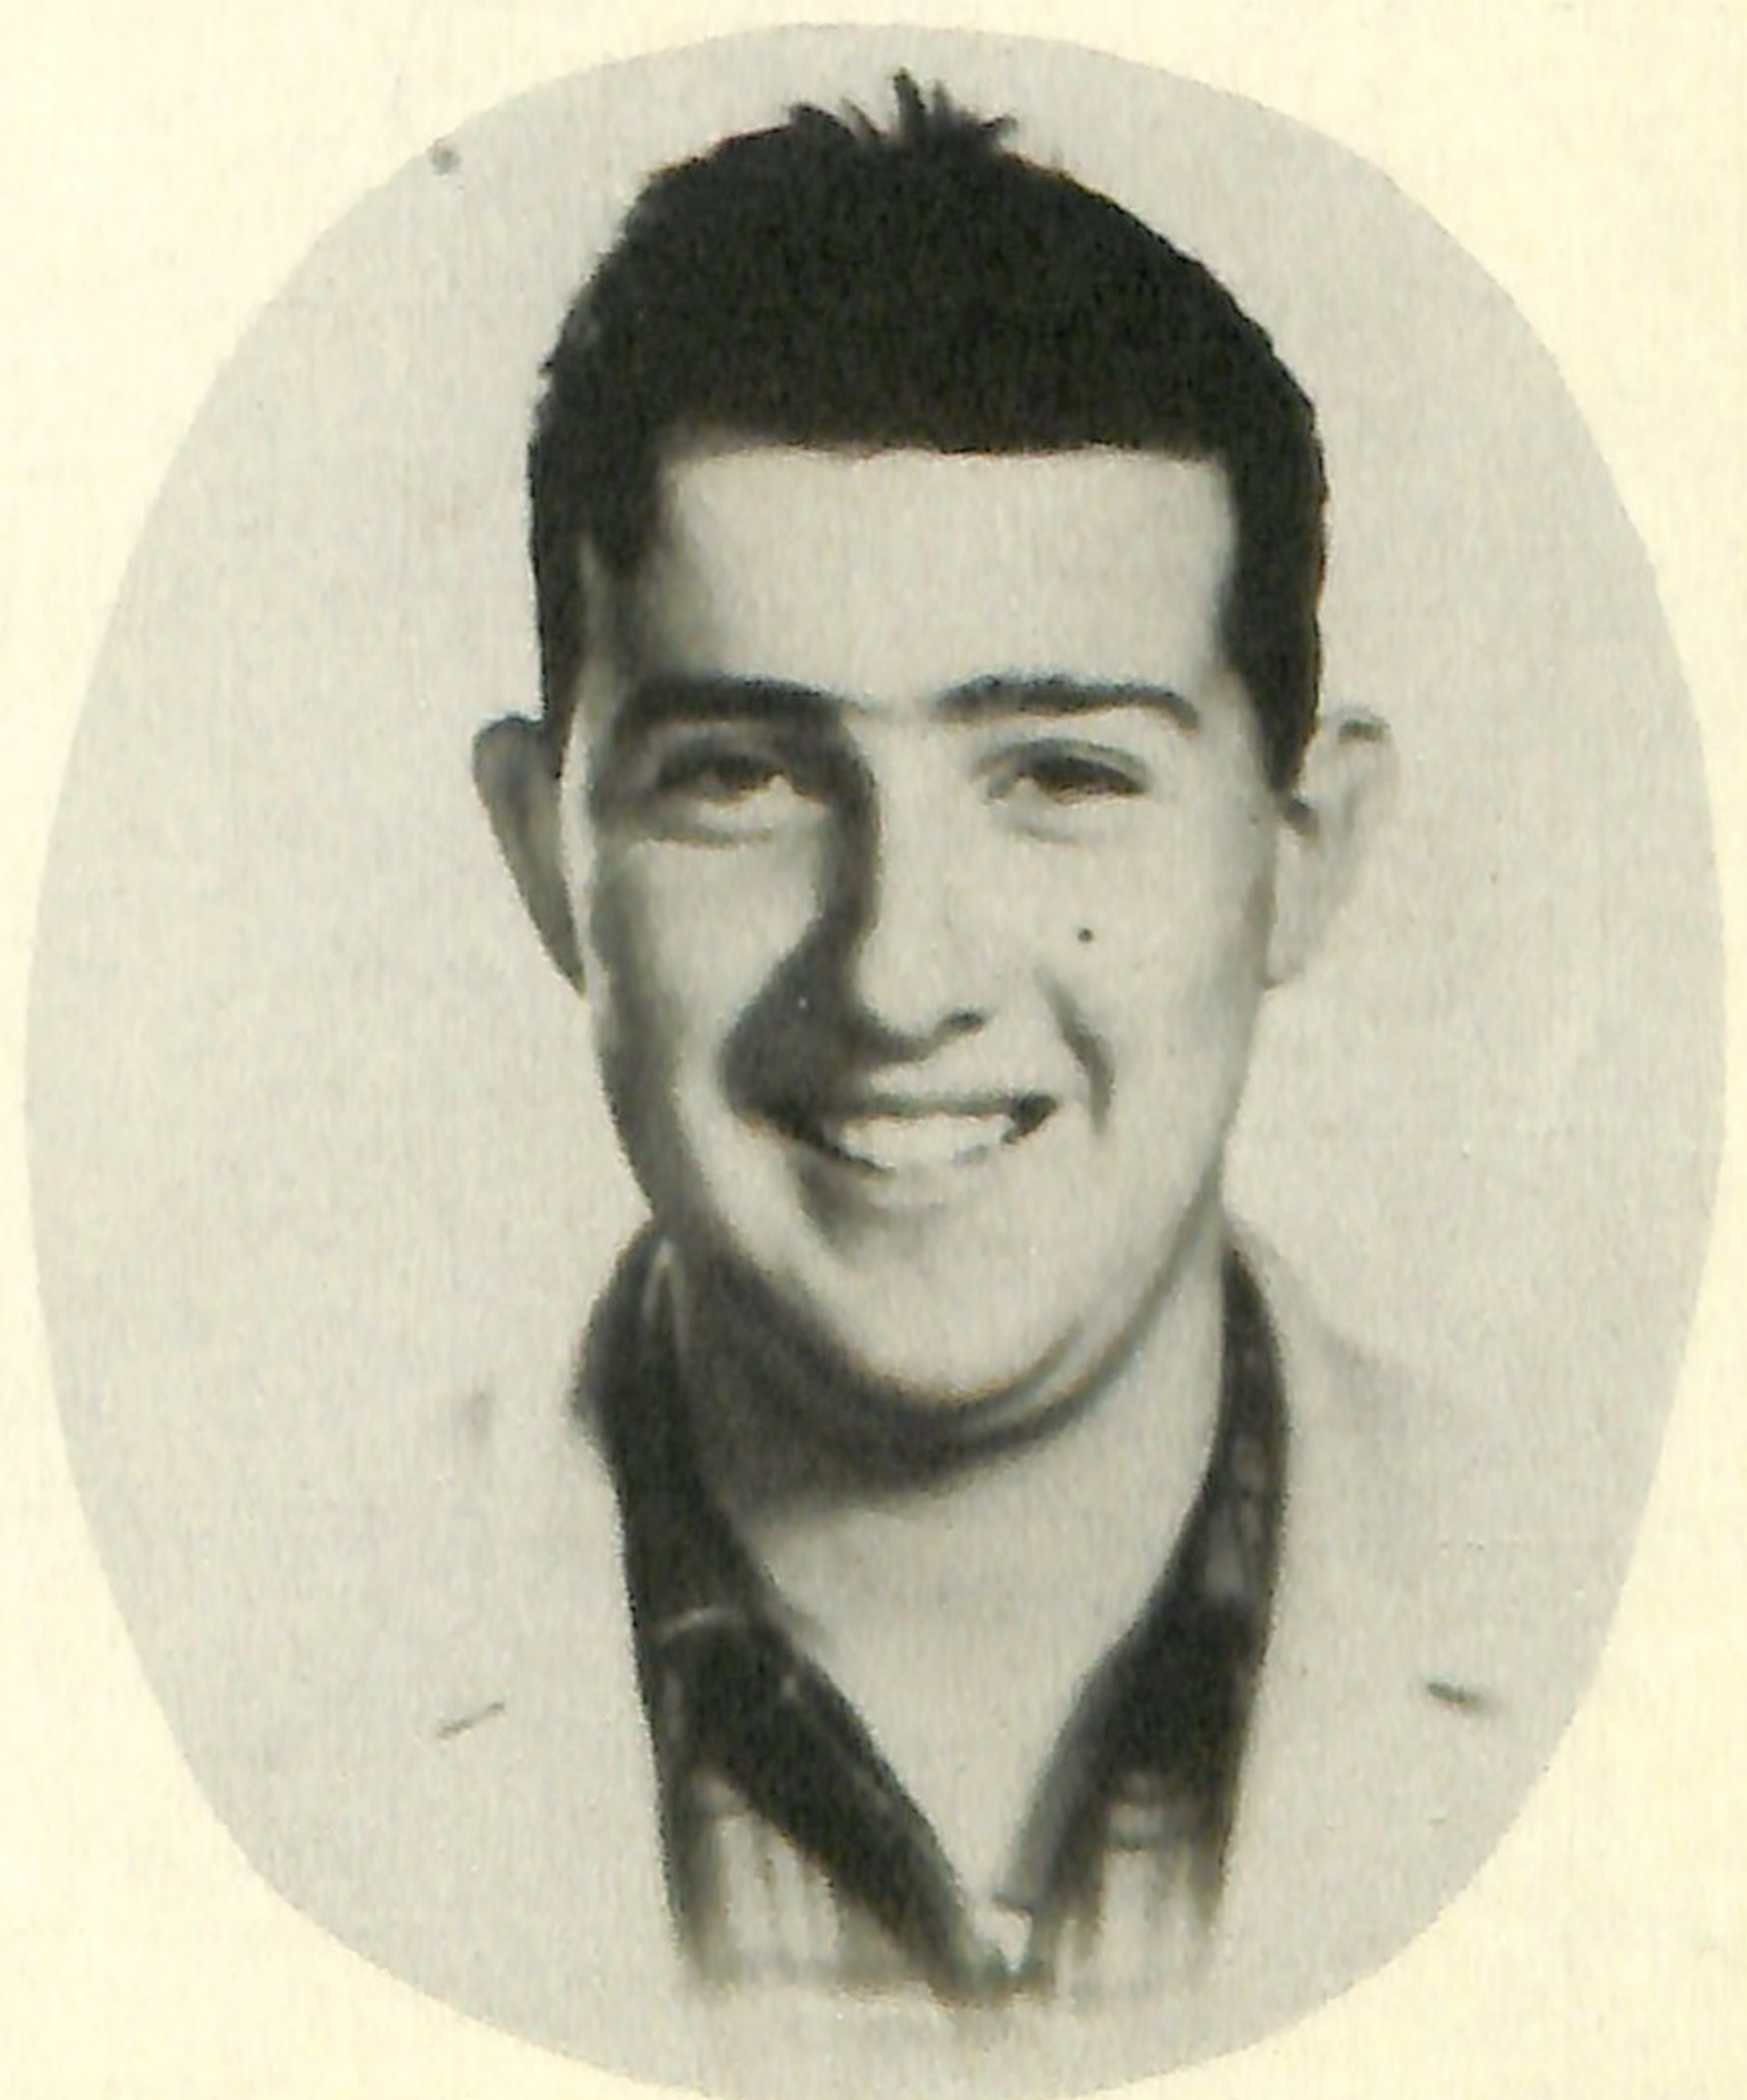

Miss Louise Schneider: a good friend and teacher who is no longer with us. We will always remember her cheerful smile and helping hand, her readiness to assist us in our various school projects.

LOUISE SCHNEIDER

## *In Memoriam*

Bill Freitas: Known for his cheerfulness and polite manners. Bill's absence from Armijo's halls is mourned by all of us.

BILL FREITAS

In retrospect you will remember 1951 as a period of world-wide crises. Its impact was felt by everyone, bringing to us an awareness of the need for national and world security. First Aid courses and atomic attack drills were inaugurated. As "citizens" of "tomorrow" we summoned our courage and resourcefulness. Above all, came the realization that education must serve its purpose—to equip us for our role in life.

Outwardly, school life was much the same: we studied—had fun, experienced sad moments of trial and error. School bonds were voted for new shops, gymnasium and swimming pool. Romance blossomed forth in corridors, at games and dances; voices were hoarse from Pep Club rooting and singing en route to games. There were brief moments of glory for some of us in musical and dramatic productions. All shared the hopeless reality of examinations and deadlines, the inevitable semester grades, the noon hour cafeteria crush. These impressions are but a few that come to mind. It is hoped that our photo-pages containing familiar scenes and faces will round out fragmentary memories of an eventful year in your high school career.

Owing to the untiring efforts of our faculty, the student body challenged another year of study. Without these hard-working, energetic people, the youth of today could not meet the demands of an ever changing world.

Our faculty will long be remembered for their superb performances in the La Mezcla floorshow. Mr. Draper rose to the occasion and won for himself great honor as a director. No matter what is written about them on this paper, our faculty wins on all qualifications.

We the Seniors of '51 in departing wish to bequeath to those we leave behind a record of our achievements—the little things that made our stay at Armijo the most treasured years of our lives.

Our debut in high school was inauspicious: "green" gangling kids, naive yet hopeful of the opportunity to prove ourselves. In Social Science I we were primed for the Frosh Reception: studied etiquette (too soon forgotten by some as they grew older), learned to dance (a chore for the bashful boys). Green capped for our big moment we held our breath: the girls, hopeful of dancing with upperclassmen, the boys lurking like frightened quail in the shadows—to be flushed out by our advisors.

With George Earll, Bessie Hall and Ruby Lea Huck as our class officers we gained courage, and became better known—personalities began to emerge. Our first annual spring picnic at the Vacaville Pool was our introduction to a tradition—a highlight that marks the closing of every school year.

Our second mile, with Gene Chamberlain, Clyde Loney and Jeanette Meehan at the helm was heightened by our Sophomore Hop, a gala affair with a valentine theme. We danced about a valentine tree to the music of Bill Holland's orchestra. Don Lynn and Bessie Hall were our king and queen on this occasion.

Rolling into our third year we found ourselves surprisingly changed: we were now upper classmen! Class rings were chosen, new officers elected: Gary Engell, Helen Bartley and Joyce Pendelton. Heady with power our hearts were turned towards being Seniors! We asserted ourselves in a mad frolic at our "Spring Carnival." Phil King's orchestra provided the music for the affair.

Maturity at last! As full fledged Seniors we found ourselves face to face with reality and we felt the gravity of the situation. Charles Kolbert, Don Lynn and Pat Cereda raced us through the Senior year. Our Senior Ball, the Banquet and graduation flashed by all too quickly. We emerged into a troubled world—the "citizens of tomorrow," and we went forth with fond memories of happy years well spent at Armijo.

League-Play started for Armijo on October 20, when the Vacaville Bulldogs were defeated to the tune of 13 to 0. In their league competition the Indians were upset 7 to 6 on a very muddy field by a determined Rio Vista eleven. The final league encounter found Bernicia, the league champions defeating the Indians 18 to 12. Armistice day the Indians defeated Sonoma 18 to 14, bringing the season to a close.

The Seniors in the starting eleven were as follows: Clyde Loney and Louie Diaz, two fast versatile ends on both offense and defense; fullback, Herb Scrivner, a powerful ground-gainer in the Indian backfield; George Earll, valued stalwart center and linebacker throughout the season; right guard, Charles Kolbert, a rugged individual in the line. The Juniors were as follows: Left halfback, Lyle Cullum, a fine breakaway runner and a sure tackling safetyman; Bob Bergman, a heads-up runner at right halfback; big, 6-foot-2-inch, 234 pound Bob Oliver, a stone wall at right tackle; Dave Marianno, gaining invaluable experience in his first year at football, played fine ball at left guard. The Sophomores were Mike Diaz, quarterback, adept at handling the ball, and Harold Trivitt, one of the most rugged players in the forward wall.

Mr. Don Alldredge showed to great advantage in his first year as assistant coach. Coach Hopkins appreciated the efforts of Ernie Moretti, Armijo alumnus who helped put the team through its paces.
